This free bus service is operated by the Lincolnshire Vintage Vehicle Society.

The Society will make every effort to maintain this timetable, but reserves the right to alter or curtail it if circumstances dictate. We will do our best to run to time, but can not guarantee road traffic conditions.

Also, we will do our best to run additional buses if demand warrants this, but can not guarantee space at every stop on every journey.

PLEASE NOTE - Our historic buses can not carry unfolded push-chairs or wheelchairs (they were not designed to!) but our conductors will be happy to assist.

Lincolnshire Road Transport Museum : Open 10.00 to 4.00 pm, free admission today.
